

PlacesNearMe

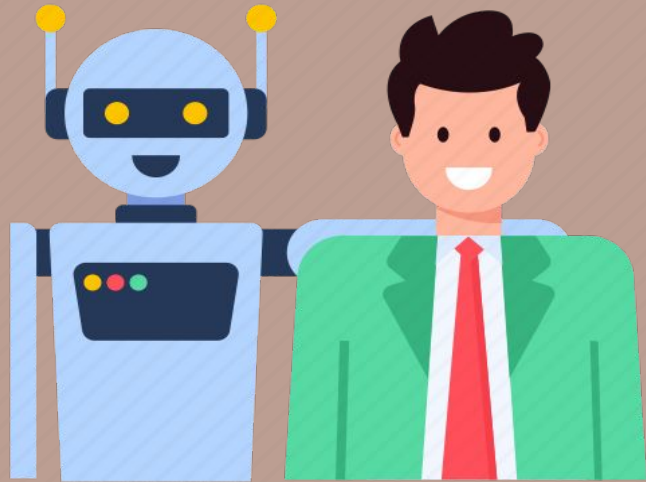

By: Akhila Puppala

Hello! I'm...

📍 Places near me.

I make small talks, suggest places to visit,
weather forecast and many more

Motivation

People had to stay at home

No outdoor meetings

Hiking Boomed

The background features a mix of muted brown and beige tones with large, flowing abstract shapes. In the top-left corner, there is a cluster of small, light-colored dots. In the bottom-right corner, there is a cluster of small, dark-colored dots. A thin, wavy line in a light beige color runs across the top-right and bottom-left areas.

01

Conversation Flow

Let's dive in and get to know about the Bot

Conversation Flow

Hi, tell me about you

I am PlacesNearMe

Hi, how is the weather near me. I stay at Fremont

It's 50 degree Fahrenheit

Conversation Flow cont'd

Hi, Suggest some places near me. My zipcode is 95134

**Here are the list of places that are near you:(1). Point Reyes National Seashore
(2). Yosemite National Park**

Hi, I would like to provide some feedback

Provide your name and feedback and I will save them in my data base

02

Challenges

Challenges faced during developing the bot

Challenges:

Rasa isn't for beginners

Slack Integration

Error Handling

03

Lessons Learned

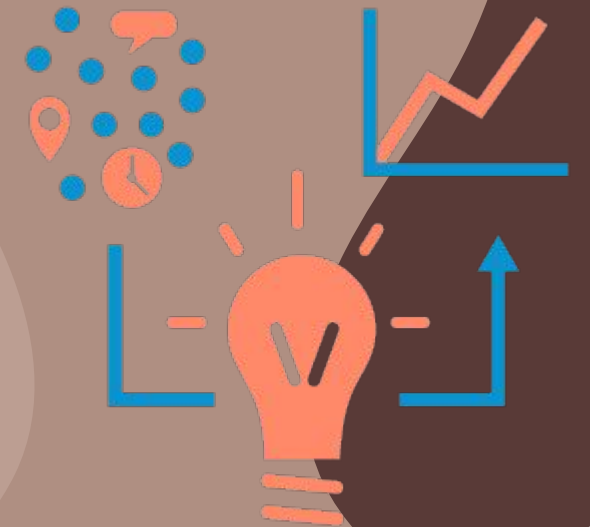

What I learned when creating the bot

Lessons Learned:

Memory Hungry

Context is everything

Design the conversation flow right at the beginning

DEMO

THANK YOU!
